

The park offers two locations for picnicking. Each area has charcoal grills, tables and one offers covered pavilions. There are no food vendors in the park, so plan on packing a picnic lunch and spend the day at Horseshoe Bend.

Visitor Center Picnic Area

The largest picnic area in the park is located across from the Visitor Center. There are 2 covered pavilions, a water fountain and handicap accessible tables, sidewalks and parking. This area will accommodate up to 150 people over the entire picnic area. These pavilions and tables are on a first come, first serve basis and open year-round.

Boat Ramp Picnic Area

The boat ramp area has 4 tables and 2 grills available on a first come, first serve basis. This area is located outside the park's main gate and access is available until dark year-round.
